### PARKING:

As you are planning your travel to the reception, please note that parking at the NAS building is extremely limited. We recommend taking a taxi or public transportation if possible. The closest metro station is the Foggy Bottom stop on the blue/orange line. It is about 0.7 miles from the Academy building, but please note that there is a large hill between the two. If you choose to take a taxi, it can drop you directly at the address.

If you have accessibility needs, please let us know.
